£80 per pupil

£1,000.
one educator to Prague and Terezín

Exceptional value for money

£80 per pupil is not the cost of a day out. It pays for three stages: a preparation session in school, a full day at Windermere with transport, and a reflection session back in school. Behind each visit are weeks of preparation, lesson plans, teacher CPD and a qualified visit leader. One programme covers nine curriculum areas, and the learning goes on through teachers, families and friends.

ONE CLASS VISIT

The day at Windermere Preparation, venue, activities, resources, CPD and visit leader	£1,200
Coach Return travel for the whole class	£1,200
Total for 30 pupils	£2,400

OUR PLANS FOR 2027

15 schools, 25 classes 750 pupils at £2,400 per class	£60,000
Train additional visit leaders	£3,000
Total for 2027	£63,000

Central funding may become available, but the programme will always need extra assistance. Repeat funding each year keeps places free for the schools that need them most.
